

THE URSULINE PROVINCIALATE

A Global Community Moving Into New Life

ANNUAL REPORT 2022 - 2023

To Our Benefactors

URSULINES
OF THE EASTERN PROVINCE

A MISSION
of
SERVICE. A VISION
for
CHANGE.

Thank You

We extend our deepest gratitude for your support, which enables us to fulfill our ministry's mission of addressing the ever-evolving needs of society while providing respectful care to our retired Sisters.

A WORD FROM THE PROVINCIAL

...a global community moving into new life.

We enthusiastically embrace our role within our vast Ursuline family—a global community devoted to serving the impoverished, championing justice, and caring for our planet. Amid an evolving religious landscape, we hold steadfast to the belief in its transformative power. We understand the importance of collaborating with like-minded groups, organizations, and individuals, including you, our valued partners to meet the ever-changing needs of society. Together, in unity, we can create a better life for people of all faiths.

During the Thanksgiving season, the Sisters shared the things they are most grateful for. For Christmas we reflected on Matthew 10:18 *“the gift you have received, give as a gift.”* We took time to recognize that gifts bestowed upon us are meant to be shared. We are profoundly thankful for the opportunity to leave a lasting mark through our life of service, which has consequently impacted countless lives. The kind words we receive daily from former students resonate deeply, each affirming our contribution to their success. Our greatest gift is the ability to forge a legacy that will nurture generations imbued with the spirit of Serviam. Through endeavors such as supporting schools in developing nations like the Saint Angela School in Cameroon, ensuring young women everywhere receive an education, advocating for environmental policies to stop the pollution of our planet, and establishing a sustainable trust to fund our vital endeavors for years to come, we pave the path for a brighter future.

In this report, you will find information about our global mission and initiatives for social justice. We extend our heartfelt gratitude to you, our dear friends. Your unwavering dedication enables us to continue our vital work and to care for our elderly retired sisters. Rest assured, you and your loved ones remain in our daily prayers, a testament to our shared journey of faith and service.

Have hope and firm faith in God, for God will help you in everything

- a promise from Saint Angela Merici, Foundress of the Ursulines

Mass Cards

*Offering mass is a caring
expression of love and
remembrance*

Source of Love
and Hope, whose
wisdom is beyond our
understanding, surround
with Love the families
and friends of those
we remember
today.
Let them not
be overwhelmed
by their loss but
have confidence in
Your goodness and strength
to meet the days to come.
Together may we be a
blessing to one another
as we face the joys and
struggles of each day.
Amen!

*"I shall be
in your midst,
praying
with You."*

Our Global Mission

The Ursulines consist of over 1,300 Sisters in 37 countries across six continents. As an international community following the example of Saint Angela, we believe in creating community wherever we go. This means being responsive to the needs of those around us and serving in areas where our help is most needed. While our ministries reach people of all ages, races, and income levels, we have a special focus on women and children, especially those living in poverty. Though religious life is evolving, we believe that it still has the power to bring about significant change in the world. That's why we actively collaborate with others to address the ever-changing needs of society and work towards creating a better life for all people. There are Ursuline Sisters at the border providing comfort and support to migrants. We stand with our neighbors in Ukraine amidst war and destruction. We work in partnership with organizations to ensure sustainable land use, to fight against human trafficking, to advocate for social justice and racial equality, and commit to the principles and values of *Laduatò Sì*.

Our deepest gratitude to our friends, benefactors and partners. Without you none of what we do would be possible.

Our Social Justice Efforts

As Ursuline Sisters, we are strong believers in the transformative power of religious life to make a lasting impact on the world. Our commitment lies in supporting the poor, seeking justice, and advocating for the principles outlined in Laudato Sì. To achieve this, we actively collaborate with various organizations and groups that share our goals. Through **Justice Peace and Integrity of Creation (JPIC)**, we are members of several organizations. Among these organizations are **Network**, a Catholic advocacy group that educates and mobilizes citizens on key legislation such as the Child Tax Credit, Earth Act, and Wage Benefits. **ROAR**, a religious organization dedicated to safeguarding the Hudson River and its surrounding areas. It advocates for the legal rights of nature, believing that rivers should have rights akin to corporations. Its current initiatives focus on the safe decommissioning of the Indian Point Nuclear Power Plant and the cleanup of toxins and PCBs in the Hudson, which harm the ecosystem. We are also members of **Investor Associates for Justice (IASJ)**, a leading advocate for Faith Consistent Investing. IASJ provides guidance on aligning investment policies with financial returns and concerns for justice. Thanks to their expertise, we have made impactful investments that address climate change. We also sit on the board of **The Leviticus Fund**. Leviticus invests in projects that enhance homes, childcare centers, charter public schools, health centers, and economic development in various urban, suburban, and rural areas. These projects have enriched the lives of over 25,000 individuals, spanning from infants to the elderly.
